

K-LOVE encourages me daily and keeps me focused on God. K-love is not just a radio station, but a ministry. Over 8,000 people hear about Jesus Christ and and invite Him into their hearts every year. K-love has 5 on-staff pastors who answer listener's phone calls. Daily they receive calls of suscide and dispair. The lives of these k-love listeners are saved and restored. If k-love is displaced by a LPFM broadcasting station many peoples lives would be effected. The station offers hope, encouragement, truth and certainty on the airwaves which are filled with many lies that only lead to death and distruction.
